**Verse 1**

**G** **C**  
There's a power that flows  
**D** **G**  
Through space and through time  
**Am**  
It begins at the Cross  
**Em** **D**  
Where my Savior Died

**G** **C**  
Was on a hill far away  
**D** **G**  
On a tree long ago  
**Am**  
But His power still saves  
**Em** **D**  
And His stripes they still heal

**Chorus**

**G** **Am** **D**  
I've been redeemed by the blood that was spilled  
**G** **Am** **D**  
I've been set free and delivered and healed  
**G** **Am** **D**  
And the power He sent is alive in me still  
**G**  
He's alive in me still

**Verse 2**

There's an empty tomb  
Where they laid Him and cried  
Because no power in hell  
Could ever keep Him inside

And the power that raised  
My Lord from the dead  
Is the power He sent  
To me in His stead
